

**ML-1 NANO NEBULIZER** with double spray emits 10X smaller mist for effective absorption into skin's deep tissue.

- Use on any skin area.
- Use USB to fully charge.
- Empty water tank when not in use.

Skin Analyzer measures hydration & oil content. Top reading of 64 or higher = healthy hydration. Lower reading of 15 to 30 = balanced oil.

#### PROMOTES HEALING for:

Plastic Surgery Sutures, Wounds, Dermabrasion, Burns and Scars.

Apply cool or room temperature mist to accelerate healing & tissue reparation. ADD Liquid Oxygen (1/2 to full dropper) to soothe skin inflammation, redness, scabbing.

No O2 mist vs O2 mist.
